The AAS Plan of Study is used by students in the Ratcliffe Hicks School of Agriculture (RHSA) during initial registration and every subsequent semester to determine minimum requirements and progress toward completing the degree. The on-line degree progress report should be used with the Plan to determine individual status each semester.

The *Final Plan* must be completed in ink, signed by the advisor, and submitted to the RHSA Director's Office (W.B. Young Building, Room 211) by the fourth week of the semester of anticipated graduation.

In order to receive the Associate of Applied Science degree, students must:

- Earn a total of at least 64 credits applicable toward the degree.
 (Transfer students must complete at least 32 credits of RHSA courses taken at UConn)
 - No more than 19 credits of 100 level coursework (including courses listed in Part I below) may be used toward the AAS degree, unless approved by the Director.
 - No more than 6 credits of Independent Study, Internship and Special Topics (courses: 96, 98, 99) may be applied toward the AAS degree, unless approved by the Director.
- Earn at least a 2.0 cumulative grade point average (GPA).
- Pass all required courses and adhere to registration requirements and restrictions of RHSA.
 - Ratcliffe Hicks courses must be approved by a student's advisor. Additional courses must be approved by the RHSA Director.
 - RHSA students who have earned at least 24 credits and are not on scholastic probation may place one course, for no more than four credits, on Pass/Fail. Courses placed on Pass/Fail do not satisfy the General Education Requirements or any other graduation requirements.
